Stock Market Again Reactionary and Dealings Diminish Slightly.

WAR SHARES ARE HEAVY

Steels Drop to New Low Levels, but Advance in Late Trading.

Although the share list displayed a good deal of underlying steadiness the stock market in the main yesterday continued reactionary.

Nevertheless the day's developments had a sobering effect on the market. There was much less fear over the immediate consequences of the peace readjustment.

The steel shares were disposed to be heavy and most of them reached new low levels for the current movement.

There was no change in money conditions. The personnel of the Stock Exchange Partners' Committee was made public.
